Employment After Graduation/Pre-Requisites for Employment/Employment Types

Cosmetology, Manicuring, Teacher Training, and Shampoo Technician are not easy professions in which to begin and success is tied directly to developing a steady clientele. This, in turn, depends on technical skills, experience, a sense of how to deal with clients, and personal style. Even well-trained entrants to the field find the first year difficult financially, but for those who settle into the profession, cosmetology can be a long and economically rewarding career.

The successful practice of these professions most often works at least 8 hours per day, most of the time on their feet and with their arms extended performing, or demonstration and correction practical services. It also requires careful eye and hand coordination. Such work requires some physical strength and stamina. Persons suffering from back, leg or joint ailments should consult a physician to see if they are physically able to meet these requirements. In addition, working the industry fields require continuous exposure to a wide variety of hair and skin treating chemicals. Persons with allergies of any kind or sensitive skin or eye should consult a physician to see if chemical sensitivity may prohibit them from engaging in the profession.

Placement Service or Assistance Service

Pineville Beauty School will not make any guarantees of employment or salary upon graduation. The school will provide the graduate with placement assistance which will consist of identifying employment opportunities and advising him/her on appropriate means of attempting to realize these opportunities. Any employment opportunities are posted on school bulletin boards and also announced during class discussions. Services both of a personal and business nature are provided through the Director upon request from the student.

The school is required by the U.S. Department of Education to keep follow-up information concerning the job placement of their students. This institution complies with this requirement through follow-up documentation.

Applications

To apply for a Federal Pell Grant, you must complete a form called FAFSA, a Free Application for Federal Student Aid. This form can be found and completed electronically at <http://www.fafsa.ed.gov/> or by picking up a paper form at the institution. The federal school code for Pineville Beauty School is 016485 and will be required for the institution to receive the results electronically. Follow up with the Pineville Beauty School Financial Aid Office by calling (318) 445-1040 about a week after you have filed your FAFSA to ensure the school has received your Institutional Student Information Record (ISIR). The ISIR will be used to determine the amount of financial assistance, Federal Pell Grant and FSEOG, you are eligible to receive. A copy of the ISIR will be kept on file at the institution and is available to the student at their request.

***You are at the wrong web page if it requests a fee for filing the FAFSA.**

Selection of Recipients – Non-Campus Based Funds

You will be provided with the amount of federal financial aid assistance you are eligible to receive by the Financial Aid Administrator of the institution. Pineville Beauty School uses a third-party servicer to determine what the student's award will be. This amount will depend, not only on your determination of eligibility, but also on the cost of attendance at your school. Financial need is based on taking into account the cost of attendance and the amount of the student's and/or the family's financial resources.

The Student Aid Index (SAI) is the calculation of how much a student and/or family can contribute to the cost of their education for an academic year. This figure is calculated by the Central Processor through the information gathered from the Free Application for Federal Student Aid (FAFSA). The Student Aid Index (SAI) will be included in the ISIR received by the institution when the student's application is processed.

***Federal financial aid is only to be used by the student for educational expenses at the institution they are attending.**

Selection of Recipients – Campus Based Funds

The school's philosophy regarding the selection of recipients of those eligible to receive Campus Based Funds, such as the Federal Supplemental Educational Opportunity Grant (FSEOG), is that the financial aid staff will attempt to award those funds available in the aforementioned program in such a way as to assist as many students as possible. Although each student's financial need is carefully considered in the award process, the Federal Supplemental Educational Opportunity Grant will be awarded first to the student with exceptional need and priority will be given to students who receive Federal Pell Grants. If any funds are still available after awarding FSEOG funds to students receiving the Federal Pell Grant, FSEOG funds will be awarded to those eligible students with the lowest expected family contributions who will not receive the Federal Pell Grant that award year. If the institution's allocation of FSEOG funds is based directly or indirectly on the financial need of independent students, the institution will offer a reasonable proportion of the FSEOG allocation. The Pineville Beauty School does not offer part-time classes. All students must file a FAFSA to be eligible for FSEOG and those receiving FSEOG awards will have to meet eligibility standards. The FSEOG award will not be less than \$100.00 and no more than \$4,000.00 unless it falls under 34 CFR 676.20(c) – studies abroad.

Disbursement Procedures of Title IV Funds

Title IV funds are disbursed during periods of the academic year. For Cosmetology, disbursements fall within two academic years. For the first academic year, funds are disbursed at 1-450 clock hours and 451-900 clock hours. The second academic year will also be divided into two periods, 901-1200 clock hours and 1201-1500 clock hours. For Manicuring, Title IV funds will be disbursed into two periods, 1-300 clock hours and 301-600 clock hours. For Teacher Training, Title IV funds will be disbursed into two periods, 1-300 clock hours and 301-600 clock hours. Federal Pell Grant or FSEOG disbursements are credited directly to the student's institutional account. 17. If the school closes permanently and ceases to offer instruction after students have enrolled and instruction has begun in the course/program, the school shall provide a pro rata refund.

Return of Title IV Funds

Federal financial aid is awarded to students contingent upon their attendance and successful completion of the program. The U.S. Department of Education has established a Return of Title IV Funds (R2T4) Policy to determine the amount of Federal student aid earned when a student withdraws prior to completing his/her program. The percentage of the program completed upon withdrawal has a direct correlation to the amount of earned aid; i.e., if a student completes 30% of the payment period, he/she has earned 30% of the Federal aid available at that point. Students who withdraw prior to receiving their federal student aid award may be entitled to a Post Withdrawal Disbursement.

Official and Unofficial Withdrawals: A withdrawal is defined as dropping all classes for a given payment period.

Official withdrawal date: The date the Administrator's office receives a written notice, fax, email, or other form of communication from the student that he/she is no longer in attendance in his/her classes.

Unofficial withdrawal date: A. The last day of attendance of a student who does not complete the official withdrawal process and/or

B. the last day of attendance of a student whose instructors report that the student is no longer attending class. In no case will the unofficial withdrawal date of determination be more than 30 days after the last day of attendance.

Consequences of Withdrawal: A student who officially withdraws earns Federal financial aid based on the number of clock hours he/she was scheduled to attend. Earned aid is calculated from the beginning of the payment period until the Last Date of Attendance (LDA), up to the 60% point of the payment period. After the 60% point, all aid is earned.

Federal Pell Grant recipients who completely withdraw from Pineville Beauty School prior to completing 60% of the payment period may owe a repayment to the U.S. Department of Education.

Procedure for Notifying Students of Repayments owed to the U.S. Department of Education: According to federal regulations, the student is responsible for all unearned Title IV program assistance that the school is not required to return. The institutional policy is that the Financial Aid Office of the institution will perform all Return to Title IV calculations and notify the student in writing if a repayment is owed to the U.S. Department of Education and the amount.

It is the intent of the Office of Financial aid to inform Federal Aid recipients to seriously consider the implications of this R2T4 policy. Students who are having difficulty in their classes should seek assistance through their instructors. Pineville Beauty School is committed to student success and to helping students stay in school and reach their educational goals.

Pineville Beauty School will return unearned Title IV funds to the Department of Education within 45 days from the Date of Determination of the student's withdrawal. Refunds will be made to the appropriate Federal programs in the following order: Federal Pell Grant · FSEOG

Leave of Absence (LOA) Policy

The school recognizes that periodically a student's attendance may be interrupted and that a leave of absence may have to be granted. The Pineville Beauty School will grant a LOA for the following: Personal illness, illness or death of an immediate family member, pregnancy, sickness, injury, COVID, active military duty, jury duty, and all other allowable special circumstances. All other allowable special circumstance requests will be reviewed by the institution's administration. A student shall be given a period of time to complete the missed course work and the student is allowed to make up missed tests on Mondays designated by staff. If enrollment is temporarily interrupted for a LOA, the student will return to school in the same progress status as prior to the LOA. Students who were in good satisfactory progress standing when they temporarily interrupted their studies or went on a Leave of Absence shall continue in that status. This is in addition to the need to maintain satisfactory progress during the regular evaluation period. Changes to the contract period on the enrollment agreement require an addendum to the original enrollment agreement and must be signed by **all** parties. The student will not be assessed any additional charges during their LOA. Hours elapsed during a leave will extend the student's contract period by at least the same number of calendar days taken in the LOA and will not be included in the student's cumulative attendance percentage calculation. Pineville Beauty School utilizes the NACCAS calculator to generate all leave calculations. A student granted a LOA is not considered to have withdrawn and no refund calculation is required. Students who take an unapproved LOA or do not return by the expiration of an approved LOA will be withdrawn and a refund calculation is required. For students on an approved LOA who notify the institution that he/she will not be returning, the date of withdrawal determination shall be the earlier of the scheduled date of return from the LOA or the date the student notifies the institution that he/she will not be returning. For refund purposes, students who do not return from an approved LOA or were withdrawn due to taking an unapproved LOA, the date of withdrawal shall be the student's last day of attendance. Students are entitled to multiple LOAs not to exceed 180 days within a 12-month period. A student must fill out and submit a LOA form in writing prior to taking the leave. There must be a reasonable expectation that the student will return from a LOA. This form can be obtained from and submitted to the Administrative Department of the institution. The student must provide a reason for the LOA and the request must include the student's signature and be dated.

Exceptions of Leave of Absence (LOA) Policy

Exceptions will be made for unforeseen circumstances that prevent the student from filling out and submitting a Leave of Absence form. In the case of an emergency, a leave of absence form may be completed at a later date, but the student must notify the administrator within one (1) week of the emergency, unless there are extenuating circumstances. The student will be required to submit a doctor's excuse and/or any other documentation relative to the emergency in order to illustrate the legitimacy of their claim. The institution will review the circumstances preventing the student from filling out a LOA, document its decision, and the beginning date of the LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the extenuating circumstances. All students should make necessary arrangements to come into the institution's administrative office within one (1) week of notifying the institution that he/she will be taking a LOA. Leave of Absence forms are not valid until all parties validate its legitimacy by their signature.

Absences Versus Leave of Absence (LOA)

The Pineville Beauty School takes great interest in the progression of each and every student enrolled at the institution. Attendance should be of upmost importance especially in the Cosmetology field where hands on training and experience is required to be successful.

In order to be fair to all students, the Pineville Beauty School will not make any exceptions to the institution's LOA policy other than those currently stated. Although the Pineville Beauty School understands that situations may arise, all students are strongly encouraged to follow the policy and procedures of the Pineville Beauty School when requesting a LOA and file a LOA when he or she expects to be absent for more than sixteen (16) consecutive school days. The institution will not grant retroactive leaves to a student who attends class at any time during the leave period they are requesting. If a LOA is not completed or does not meet the guidelines of the institution's policy, absences will be considered as excused or unexcused and may affect their Satisfactory Academic Progress (SAP) and/or deem them ineligible to receive Title IV funds. When unable to attend school, all students should take into account that they are entitled to multiple LOA not to exceed 180 days within a 12-month period and that a LOA can only be taken in minimum of thirty (30) days at a time. Taking a LOA will not only assist a student in maintaining their current Satisfactory Academic Progress (SAP) status, but will prevent overtime charges from accumulating during the leave period.

Policy on Tardiness and Make-Up Work

All students must be in the building and their time card swiped in by 8:30 AM. A student who is late will not be allowed to interrupt class and will be considered absent until that class period is ended. The student will then be allowed to clock in at 9:30 AM on Tuesday through Thursday. No student will be allowed to clock in after 8:30 AM on Fridays unless under extreme circumstances or has a written doctor's excuse. The days the school is closed for local and school holidays and intervals between school sessions will not be recorded as absences. Lesson assignments which were missed during any period of absence must be made up by the student. Make-up work will not be permitted during regular class hours. There will be designated time by staff to allow for make-up work and tests. A record of make-up work is maintained for each student who is required to perform this type of work.

Calculation of Over-Time Charges

Each Student is scheduled for instruction by hours. It is *imperative* that Students attend school during all of the hours scheduled. Requirements of Pineville Beauty School are 1500 hours of instruction for Cosmetology, 600 hours of instruction for Manicuring, 600 hours of instruction for Teacher Training, and 40 hours for Shampoo Technician (days, weeks, does not count – *only* accumulated hours).

The school is aware that instances may arise that a student must miss some scheduled hours. In the event this is an excused absence, i.e., personal illness, illness of child, court appearance, immediate relative funeral, etc.; the proof of the excused absence must be presented to the Business Office and the hours shall be recorded as such. Pineville Beauty School will accept up to 7 doctors, court, funeral excuses, etc. within the course period.

If this calculation exceeds 80 scheduled hours for Cosmetology, 30 scheduled hours for Manicuring, 30 scheduled hours for Teacher Training, and 4 scheduled hours for Shampoo Technician during your course of study, the student receives Over-Time Charges. Over-Time Charges are \$7.50 per hour for hours required to complete your course beyond the original scheduled hours of each program field as stated above. These charges *are not* covered by Pell Grants. Any student that accumulates these Over-Time Charges shall pay these charges *before* they receive their Graduation Diploma and before they may be cleared for the State Exam.

Withdrawal and Settlement Policy

Official and Unofficial Withdrawals: A withdrawal is defined as dropping all classes for a given payment period.

Official withdrawal date: the date the Administrator's office receives a written notice, fax, email, or other form of communication from the student that he/she is no longer in attendance in his/her classes. The cancellation date will be determined by the postmark or written notifications, or the date said information is delivered to the school in person.

Unofficial withdrawal date: **A.** the last day of attendance of a student who does not complete the official withdrawal process and/or **B.** the last day of attendance of a student whose instructors report that the student is no longer attending class. In no case will the unofficial withdrawal date of determination be more than 30 days after the last day of attendance.

For students on an approved leave of absence who notify the institution that he/she will not be returning, the date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning. Students who do not return from an approved LOA or were withdrawn due to taking an unapproved LOA, the date of withdrawal shall be the student's last day of attendance.

If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Practical assignments are evaluated as completed and counted toward course/program completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating with a minimum of 70% required to be in satisfactory progress). Grade of "C"	79-70	Satisfactory/Passing
Grade of "D"	69-60	Unsatisfactory/Non-Passing
Grade of "F"	59-0	Unsatisfactory/Non-Passing

This grading scale reflects the institution's accrediting agency, the National Accrediting Commission of Career Arts & Sciences (NACCAS), and the Louisiana State Board of Cosmetology requirements. Students may also refer to the Satisfactory Academic Progress (SAP) section of the catalog for further information on grading policy and procedures.

Attendance (Quantitative):

Pineville Beauty School students are required to attend 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress.

- I. A student's failure to attend will be considered either as an excused or un-excused absence. Both types of absences will be recorded as absences.
- II. Personal illness, illness or death of an immediate family member, pregnancy, sickness, injury, COVID, active military duty, and jury will be considered as excused absences as long as a written excuse signed by a doctor, the commanding officer of the service unit of the student, or representative of the court, whichever is appropriate, is presented by the student to substantiate such absences. This written excuse will be filed with the student's attendance records. All other absences will be considered un-excused. The institution may consider extenuating circumstances provided written notification is presented by the student.
- III. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. The student will not be assessed any additional charges during their Leave of Absence (LOA). Hours elapsed during a leave will extend the student's contract period by at least the same number of calendar days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.
- IV. Students who withdraw prior to completion of the course/program and wish to re-enroll will return in the same satisfactory

progress status as at the time of withdrawal. This applies to all students wishing to re-enroll in Pineville Beauty School. Any outstanding balance of monies owed to the institution by a student re-enrolling will roll over at re-entry and may or may not be covered by financial aid. Any student terminated by the institution due to exceeding the maximum time frame and wishes to re-enroll would thereafter be permitted to re-enroll in the course/program on a cash-pay basis in a manner consistent with the re-enrollment provisions of the institution's admissions policy.

Pineville Beauty School includes both quantitative (attendance) and qualitative (academic performance) elements that are evaluated on a cumulative basis at the designated evaluation periods throughout the course or program of study.

Pineville Beauty School students are evaluated on actual hours completed. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Evaluations will be completed within seven (7) school business days following the institution's established evaluation periods. This will ensure that the student will graduate within the maximum time frame allowed.

The maximum time allowed for the students to complete each course at satisfactory progress is 143% and is defined below.

COURSE/PROGRAM	MAXIMUM TIME	SCHEDULED HOURS
Cosmetology (30 hour week)	71.50 weeks	2145
Cosmetology (24 hour week)	89.38 weeks	2145
Manicuring (24 hour week)	35.75 weeks	858
Teacher Training (24 hour week)	35.75 weeks	858
Shampoo Technician (30 hour week)	1.91	58
Shampoo Technician (24 hour week)	2.38	58

Maximum Time Frame:

The maximum time frame allowed by the Pineville Beauty School for students is 143% of the Enrollment Period. If due to attendance or academic problems and the student must attend additional hours beyond the maximum time frame, the student will be charged overtime charges of \$7.50 per hour, lose Title IV eligibility, and shall be terminated by the institution. The Pineville Beauty School chooses not to allow appeals at this time. Any student wishing to re-enroll would thereafter be permitted to re-enroll in the course/program on a cash-pay basis in a manner consistent with the re-enrollment provisions of the institution's admissions policy and any outstanding balance would roll over at re-entry. A leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in a leave of absence. A student may not take a leave of absence for more than 180 days during a 12 month period.

Academic (Qualitative):

Work Projects Completed

Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course/program completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating with a minimum of 70% required to be in satisfactory progress). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Students must maintain a written grade average of 70% and pass all written and practical exams prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Satisfactory Academic Progress (SAP) Evaluation Periods

The Pineville Beauty School establishes evaluation periods in accordance with payment periods established with the US Department of Education for the purposes of Title IV funding. Evaluation periods coinciding with the US Department of Education are as follows: 450 hours and 15 Academic Weeks, 900 hours and 30 Academic Weeks, 1200 hours and 40 Academic Weeks, and 1500 and 50 Academic Weeks clocked hours for Cosmetology, 300 hours and 10 Weeks and 600 hours and 20 Academic Weeks clocked hours for Manicuring and Teacher Training and 20 hours and .665 Academic Weeks and 40 hours and 1.33 Academic Weeks clocked hours for Shampoo Technician. The Pineville Beauty School elects to omit the last SAP evaluation within the course/program. For courses or programs with a total length that is one academic year or less (Shampoo Tech, Teacher Training, and Manicuring) the course or program is divided into two equal evaluation periods. The first evaluation period is the period in which the student successfully completes both (1) half of the clock hours or competencies and (2) half of the academic weeks while the second evaluation period is the period in which the student completes the course or program. Courses or programs with a total length that exceeds one academic year (Cosmetology), each full academic year is divided into two equal evaluation periods. The remainder of the course or program is also divided into two equal evaluation periods. The Pineville Beauty School schedules frequent evaluations prior to the issuance of the final Student Progress Report of Satisfactory Academic Progress (SAP) to ensure 1) that students are aware of their progress status and 2) that each student has ample opportunity to meet both the attendance, written and practical exam progress requirements of at least one evaluation by midpoint in the course. Once the evaluation is conducted, the student will be notified if the evaluation impacts the student's eligibility for financial aid, if applicable, and that they may obtain a copy of their Satisfactory Academic Progress (SAP) evaluation through the administrator of the institution. Satisfactory Academic Progress (SAP) evaluations will determine if the student has met the minimum requirements for Satisfactory Academic Progress (SAP). All evaluations are based on actual hours. Pineville Beauty School students are evaluated for

Satisfactory Academic Progress (SAP) and receive Progress Reports notifying them whether or not they have achieved Satisfactory Academic Progress (SAP) at the end of each payment period as follows:

Cosmetology:	450 clocked hours and 15 Academic Weeks, 900 clocked hours and 30 Academic Weeks, 1200 clocked hours and 40 Academic Weeks and 1500 clocked hours and 50 Academic Weeks
Manicuring:	300 clocked hours and 10 Academic Weeks and 600 clocked hours and 20 Academic Weeks
Teacher Training:	300 clocked hours and 10 Academic Weeks and 600 clocked hours and 20 Academic Weeks
Shampoo Technician:	20 clocked hours and .665 Academic Weeks and 40 clocked hours and 1.33 Academic Weeks

At the time of each evaluation at the end of each payment period, students who have not made Satisfactory Academic Progress (SAP) must be informed they are no longer eligible to receive assistance unless the student is placed on financial aid warning. All students will receive a written student report of Satisfactory Academic Progress (SAP) at the end of the pay period. Students who meet the minimum requirements for attendance and academic performance will be considered to be making Satisfactory Academic Progress (SAP) until the next scheduled Satisfactory Academic Progress (SAP) evaluation.

Financial Aid and Satisfactory Academic Progress (SAP)

Financial Aid disbursements are issued at 0-450 and 15 Academic Weeks, 451-900 and 30 Academic Weeks, 901-1200 and 40 Academic Weeks, and 1201-1500 and 50 Academic Weeks clocked hours for Cosmetology, 0-300 and 10 Academic Weeks and 301-600 and 20 Academic Weeks clocked hours for Manicuring, and 0-300 and 10 Academic Weeks and 301-600 and 20 Academic Weeks clocked hours for Teacher Training. All students receiving Title IV funds must meet the standards of Satisfactory Academic Progress (SAP). Students are evaluated regarding Satisfactory Academic Progress (SAP) at 450 and 15 Academic Weeks, 900 and 30 Academic Weeks, and 1200 and 40 Academic Weeks and 1500 and 50 Academic Weeks clocked hours for Cosmetology; 300 and 10 Academic Weeks and 600 and 20 Academic Weeks clocked hours for Manicuring; and 300 and 10 Academic Weeks and 600 and 20 Academic Weeks clocked hours for Teacher Training. The Shampoo Technician course/program does not qualify for Financial Aid, but the student must still maintain Satisfactory Academic Progress (SAP) and is evaluated regarding Satisfactory Academic Progress (SAP) at 20 and .665 Academic Weeks and 40 and 1.33 Academic Weeks clocked hours. Students are evaluated on actual clock hours. Students must maintain a 70 percent cumulative grade point average (CGPA) and complete 70 percent of the scheduled clock hours in the payment period.

Financial Aid Warning Policy

Students who fail to meet minimum requirements for attendance and/or written and practical exams are placed on financial aid warning and considered to be making Satisfactory Academic Progress (SAP) while during the first warning period. No appeal is necessary.

The student will be notified in writing of unsatisfactory progress by the administrator of the Financial Aid Office and advised of the consequences if he/she does not obtain Satisfactory Academic Progress (SAP). The student will then be advised in writing of the actions required to attain Satisfactory Academic Progress (SAP) by the next evaluation period. If, at the end of the financial aid warning period, the student has not met requirements to re-establish Satisfactory Academic Progress (SAP), he/she will be determined as NOT making Satisfactory Academic Progress (SAP) and the student will be deemed ineligible to receive Title IV funds. Students will be formally advised in writing of any evaluation that impacts the student's eligibility for financial aid. Pineville Beauty School chooses not to accept appeals at this time. In order for a student to re-establish his or her eligibility to receive assistance under Title IV, HEA programs, the student must meet the minimum requirements of Satisfactory Academic Progress (SAP). Satisfactory Academic Progress (SAP) requires the student to maintain a 70 percent cumulative grade point average (CGPA) and complete 70 percent of the scheduled clock hours in the payment period. Two Mondays a month are provided to the students to make up work and hours in order to achieve Satisfactory Academic Progress (SAP) before the end of the payment period in which the student is on financial aid warning.

Transfer of Academic Credit

It is the policy of Pineville Beauty School that students who transfer to the institution may be granted credit for prior studies not to exceed 50 percent of course hours. The student must notify the institution of any transfer credits he/she desires the institution to apply at the time of applying to the institution for enrollment. The student must issue to the institution official transcripts illustrating prior credits and clearance of any outstanding balances from the previous school prior to enrollment. A \$100.00 fee will be assessed to students transferring to the Pineville Beauty School. Any outstanding balance of monies owed to the institution by a student re-enrolling will roll over at re-entry and may or may not be covered by financial aid. Any transfer hours accepted from another institution and applied to the student's education course/program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. Satisfactory Academic Progress (SAP) evaluation periods are based on actual contracted hours at the institution.

Re-Entry Students

A student who withdraws prior to completion of the course/program and wishes to re-enroll will return in the same Satisfactory Academic Progress (SAP) status as at the time of withdrawal. This applies to all students wishing to re-enroll in the Pineville Beauty School. A \$100.00 non-refundable application fee (\$35.00 for Shampoo Technician) will apply. Any outstanding balance of monies owed to the institution by a student re-enrolling will roll over at re-entry and may or may not be covered by financial aid. Any student terminated by the institution due to exceeding the maximum time frame and wishes to re-enroll would thereafter be permitted to re-

enroll in the course/program on a cash-pay basis in a manner consistent with the re-enrollment provisions of the institution's admissions policy.

INCOMPLETES: If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave will extend the student's contract period by the same number of calendar days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.

WITHDRAWALS: Students who withdraw prior to completion of the course/program and wish to re-enroll will return in the same Satisfactory Academic Progress (SAP) status as at the time of withdrawal. A \$100.00 non-refundable application fee (\$35.00 for Shampoo Technician) will apply.

Noncredit, Repeated and Remedial Courses

Noncredit, repeated and remedial courses do not apply to this institution as the school has no such items. Therefore, these items have no effect upon the school's satisfactory progress standards.

Attendance Policy and Termination

Records are maintained which clearly show the attendance of a student. These records indicate the student's presence, or absence. These records are maintained in such a manner as to make the students attendance readily determinable by anyone authorized to inspect such records. Attendance clock is monitored and downloaded weekly. A student's failure to attend will be considered either as an excused or un-excused absence. Both types of absences will be recorded as absences. Personal illness, illness or death of an immediate family member, pregnancy, sickness, injury, COVID, active military duty, and jury duty will be considered as excused absences as long as a written excuse signed by a doctor, the commanding officer of the service unit of the student, or representative of the court, whichever is appropriate, is presented by the student to substantiate such absences. This written excuse will be filed with the student's attendance records. All other absences will be considered un-excused. The institution may consider extenuating circumstances provided written notification is presented by the student. A student will be terminated as of his/her last day of physical attendance whenever he/she has accumulated more than 30 consecutive days of unexplained absences. Exceptions will be made if a student can show proof of hospitalization and or other emergency during his/her absence prior to the thirtieth day of absences. A termination fee of \$150 will apply.

Family Educational Rights and Privacy Act of 1974 (FERPA)

The FERPA is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools that receive funds under an applicable program from the U.S. Department of Education. The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of eighteen (18) or is attending any school beyond the High School level. Students and former student to who the rights have transferred are called eligible students.

- Parents or eligible students have the right to inspect and review all of the student's education records maintained by the school. Schools are not required to provide copies of materials in education records unless, or reasons such as great distance, it is impossible for parents or eligible students to inspect the records personally. The school may charge a fee for copies.
- Parents and eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses the correction, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.

- Generally, the school must have written permission from the parents or eligible students before releasing any information from a student's record. However, the law allows schools to disclose records, without consent, to the following parties:
 - School employees who have a need-to-know
 - Other schools to which a student is transferring
 - Parents when a student over 18 is still dependent
 - Certain government officials in order to carry out lawful functions
 - Appropriate parties in connection with financial aid to a student
 - Organizations doing certain studies for the school
 - Accredited organizations
 - Individuals who have obtained court orders or subpoenas
 - Persons who need to know in cases of health and safety emergencies
 - State and local authorities to whom disclosure is required by state law adopted before November 19, 1974

Schools may also disclose, without consent, "directory" type information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell parents and students of the information that is designed as directory information and provide a reasonable amount of time to allow the parent or eligible student to request the school not to disclose that information about them.

Schools must notify parents and eligible students of their rights under this law. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to each school.

Schools must adopt a written policy about complying with the FERPA. Schools must give the parent or eligible student a copy of the policy, on request.

If you wish to see your child's education records; or if you are over 18 or are attending college and would like to see your records, you should contact the school for the procedure to follow.

If you have any questions about FERPA, or if you have problems in securing your rights under this Act, you may call (202) 401-2057 or write to: Family Policy Compliance Office, Department of Education, 400 Maryland Avenue, S.W., Room 3017, Washington, DC 20202-4605.

Grievance Policy and Procedure

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature and pattern of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Administrator/Owner.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In case of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint of another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee.

7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency or the Louisiana State Board of Cosmetology, if applicable.

Grievance forms can be obtained from the Administrative Department of the institution. Annual Campus Security Report

The Pineville Beauty School strives to provide a safe educational environment for all students and staff. A collaborative effort of both the institution's officials and its students in maintaining safety in and around the institution assists in the overall objective of the institution to provide a safe educational environment and should be implemented at all times. The Pineville Beauty School understands emergency situations may occur at any time and wants to ensure the safety of both its students and staff. Under the Clery Act, all colleges and universities that participate in federal financial aid programs are required to keep and disclose information about crime on and near its campus. It also requires said institutions to issue timely warnings and emergency notifications when there is a potential threat in which they can take preventative measures. All students and staff should ensure they inform the institution of any changes to their email and/or phone numbers by contacting the administrator of the institution. Although authority lies with the administrator and/or owner(s) of the institution to report a threat and/or crime, this does not prevent any student or staff member from contacting local authorities or dialing 911 if they feel they are in danger.

On March 7, 2013, President Obama signed into law the Violence against Women Reauthorization Act ("VAWA"), which amended the Jeanne Clery Act of 1965, otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. VAWA imposes new requirements and obligations on educational institutions under its Campus Sexual Violence Act ("SaVE Act") provision, Section 304. It requires educational institutions to now report domestic violence, dating violence, sexual assaults, and stalking.

In compliance with the Jeanne Clery Act of 1965, the Pineville Beauty School publishes its Annual Campus Security Report which contains a three-year statistical history of crimes. In accordance with the Women Reauthorization Act ("VAWA") and the Campus Sexual Violence Act ("SaVE Act"), the Pineville Beauty School now includes sexual harassment incidents on its Annual Campus Security Report. The Pineville Beauty School will issue all enrolled students and staff an updated Annual Campus Security Report by October 1st of each year and will include information regarding crime statistics for the prior three (3) years. Information may also be obtained by requesting a paper copy from the institution's Administrative Office. Entire Annual Report may be found on the school's website at:

It is the policy of the Pineville Beauty School to provide a program of substance abuse education that will further our efforts regarding the general health and safety of our staff and students. The objective of this program is to promote increased awareness about substance abuse and to maintain a learning institution free of drugs and alcohol.

Students and staff are prohibited from the illegal use, possession, sale, manufacturing, or distribution of illicit drugs and alcohol while on the institution's property or while involved in any of the institution's activities. Violation of the above stated policy of the Pineville Beauty School on illicit drugs and alcohol, consistent with local, state, and federal law, shall result in expulsion or termination of the student or staff member and referral for prosecution. As per the Higher Education Opportunity Act (HEOA), any student convicted of an illegal drug violation while receiving financial aid will result in denial of federal financial aid for a specific period. In addition to losing financial aid eligibility, the student may face other legal consequences. Beginning the 2022-2023 award year, the Department of Education will begin implementation of the removal of the Selective Service and drug convictions requirements for federal Title IV eligibility. Beginning the 2023-2024 award year, the questions regarding registration for Selective Service and drug convictions will no longer be on the FAFSA. The Pineville Beauty School's policy along with local, state, and federal laws pertaining to drugs and alcohol remain in effect.

The abuse of alcohol, legal drugs, and illegal drugs can be harmful to an individual, not only physically, but mentally, emotionally, and socially. Aside from the health issues just mentioned, the legal consequences of the possession, sale, and consumption of illegal drugs and alcohol can be just as detrimental.
