

## **Cost of Attendance (COA)**

The following is an estimation of costs a student may incur during the period of enrollment in the institution's largest program, Cosmetology, for the Academic Year (For Title IV Federal Financial Aid Funds purposes, the Academic Year for Clock-Hour Programs is defined as 900 hours). This estimation includes tuition, fees, books, supplies, room & board (off-campus with family and off-campus without family), and other living expenses (off-campus with family and off-campus without family). These costs are just an estimate and is only intended to give an individual an idea of what expenses they may incur during their studies in the program for the Academic Year.

### **Cosmetology – 1500 Hours**

Minimum time frame for completion – 12 months

Average time frame for completion – 16 months
