

Cost of Attendance (COA)

The following is an estimation of cost a student may incur during the period of enrollment in the institution's largest program, Cosmetology, for the Academic Year (For Title IV Federal Financial Aid Funds purposes, the Academic Year for Clock-Hour Programs is defined at 900 hours). This estimation includes tuition, fees, books, supplies, room & board (off-campus without family), and other living expenses (of-campus without family and off-campus with family). These costs are just an estimate and is only intended to give an individual an idea of what expenses they may incur during their studies in the program for the Academic Year.
